### Request to Approve an Educational Course

1. Read all instructions carefully. **The Board desires to provide courteous and timely service to all applicants. To maximize its efficiency and the level of service, the Board will process complete requests only.** A complete request includes all applicable supporting documents. The Board will not act as your agent in gathering information or supporting documents necessary for the consideration of your request. Incomplete requests will be returned to you.
2. **Please type or print, and sign in blue ink, when completing this form.**

#### SECTION 1 – APPLICANT NAME

Applicant Name: \_\_\_\_\_ COC #: \_\_\_\_\_

Phone No.: \_\_\_\_\_ Fax No.: \_\_\_\_\_

#### SECTION 2 – SUBMITTAL OF COURSE INFORMATION

All educational courses submitted to the Board for approval **must** be relevant to LP-Gas operations. Some common examples of courses relevant to LP-Gas operations would be: Equipment installation and repair, safe work practices, emergency response, product knowledge, etc. The Board will review all courses submitted and if they are determined to be relevant they will be assigned a Continuing Education Unit (CEU) value. You **must** attach a detailed course curriculum provided by the course sponsor.
